**About Maroubra Medicare Urgent Care Clinic:**

Care when it's urgent, but not an emergency.

Receive value-based priority care for non-life-threatening conditions, without the need to visit an emergency department.

The Urgent Care Clinic provides immediate high-quality care for patients with or are experiencing non-life threatening injuries or illnesses. The Urgent Care Clinic is supported by highly skilled independent doctors and a nursing team, utilising excellent treatment and procedure room facilities.

For any questions, please contact (02) 9349 9001.
